3) Guidelines Statement of Applicant

An essential part of an Albert Renold Travel Fellowship application is the applicant's statement of how the visit will benefit the applicant and the applicant's department.

Please keep in mind that the intended purpose of the stay should be to learn a new, specific technique or clinical skill to be used for the advancement of your basic or clinical diabetes research project and that is not available at your home institution.

This statement should answer the following questions:

- Which specific technique(s) do you want to learn during the stay?
- How will your diabetes research project(s) and your home department benefit from your stay and the technique(s)?
- Why did you specifically choose your host institution to learn this technique?

IMPORTANT! The statement **must not exceed 1 page written in type no smaller than 11 point Arial with single line spacing**. Any application exceeding this page limit will not be forwarded for review.

4) Guidelines Biographical Sketch

IMPORTANT! The biographical sketch **must not exceed 3 pages written in type no smaller than 11 point Arial with single line spacing**. Documents exceeding these parameters will not be forwarded for review.

Please list your education and employment in **reverse chronological order**.

A biographical sketch should contain the following information:

- Name
- Date and place of birth
- Date and nature of present appointment
- Education (your complete academic education in reverse chronological order)
 - Name / location of college or university
 - Field of study
 - Highest degree and year conferred
- Research and/or professional experience (in reverse chronological order)
 - Present Position
 - Previous employment(s) (if applicable)
 - Experiences (if applicable)
 - Honours (if applicable)

- Publications (in reverse chronological order)
 - Titles of and complete references to all publications during the past three years (in reverse chronological order)
 - Earlier publications pertinent to this application
 - If a complete list of publications exceeds the three-page limit, choose those most pertinent to this application.

5) Budget

In this section you are asked to provide a detailed budget (expected costs) for your stay using the budget table provided as a download.

The total budget submitted must match the total being requested from EFSD.

Your total may not exceed Euro 8,000.

IMPORTANT! This fellowship programme **does not cover** costs for workshops, courses, seminars or conference visits, nor research costs (e.g., consumables, equipment), private activities (e.g., concerts, gym, etc.) or purchases which use extends beyond the stay (e.g., books, laptops, clothes, etc.).

Please be reasonable and realistic! It is understood that the stated costs are estimates and it is ok to calculate them generously to be on the safe side. However, please calculate what you really expect to be necessary to cover the costs of your travel and stay. Please do not just distribute Euro 8,000 over the budget sections, trying to receive the maximum amount of funding possible – reviewers will likely notice that. If your stay includes a hotel accommodation, please be reasonable and note that EFSD usually does not cover 5 star hotels and alike.

There are resources on the internet that can help you to estimate the costs for accommodations and other living costs in the city you intend to travel to, for example [numbeo](#) or [expatistan](#). Per diem rates, for example from your university, for travels to the country you intend to go to are another source to get an idea about costs of living. For all these options, please keep in mind that the EFSD budget table separates costs for accommodation and the remaining living expenses.

a) Budget Table

<p>Travel Costs: (may also include costs for visa, please describe)</p>	<p style="text-align: right;">TOTAL Euro _____</p>
<p>Accommodation: (please describe)</p>	<p style="text-align: right;">TOTAL Euro _____</p>
<p>Living Expenses: (e.g., groceries, transportation ticket at host town, please describe)</p>	<p style="text-align: right;">TOTAL Euro _____</p>
<p>Other Expenses: (e.g., travel health insurance if needed, please describe)</p>	<p style="text-align: right;">TOTAL Euro _____</p>
<p>TOTAL BUDGET REQUEST <i>May not exceed €8,000</i></p>	<p style="text-align: right;">TOTAL Euro _____</p>

Please state your costs in Euros. If you are applying from or for a country outside the Euro Zone, please convert the local currency into Euros, using the exchange rate on the date of your application.

b) Budget Justification

In this section you are asked to provide a short justification for each item listed in the budget to show that the amount given is reasonable. It is understood that these costs are estimates.

This budget justification will be reviewed carefully and the Review Committee may on occasion and at its discretion recommend an award in a lesser amount considered more appropriate for the proposed travel.

6) Financial Support

In this section you are asked if you previously received an EFSD award. If this is the case then further information needs to be provided.

7) Letter of Recommendation - Home Institution

Applicants are required to submit a signed letter of recommendation by the Head of the Department at the current place of work (**home institution**).

8) Letter of Host Institution

Applicants are required to submit a signed letter of invitation from **the host institution** confirming the invitation to visit and describing the objectives of the stay.

IMPORTANT! Both letters must be dated and printed on institutional letterhead.
