2) Access the EFSD Online Application System

The EFSD online application system can be accessed via the MyEASD platform. A link to the MyEASD Login is provided here or in the upper right corner of the EFSD and EASD home pages.

Log in to MyEASD with the email address and password from your existing account for EASD Membership or any other EASD application (EASD Annual Meeting Registration, EASD Annual Meeting Abstract Submission, EASD e-Learning, or EASD Virtual Meeting). If you do not have a MyEASD account yet, you will need to create one.

Once you are logged in at MyEASD, click on the “EFSD Applications” link and you will be directed to the start page of the EFSD online application system.

If you access the EFSD online application system for the first time, you will have to approve the third party data access confirmation by clicking on “I approve”. Then you will be directed to the start page of the EFSD online application system.

3) Getting Started in the EFSD Online Application System

Instructions on how to operate this online application system will be written in blue.

On the start page of the EFSD online application system is an overview which programmes are currently open for application in which application year. Towards the end of a year there will be more than one application year with open programmes.

To get to the programme you want to submit an application for or edit an existing one, click on the cube/grid icon in the upper left corner of the page, next to the home button. Then select the application year that contains your programme of interest.

You will be directed to the “Instructions and Guidelines” page of the application year you selected where you will find some general instructions and where you can download more detailed instructions and guidelines (e.g. this document) for your application type (e.g. grant, travel fellowship).

To begin a new application or access an existing one, click the “Applications” link in the page header.

Choose the programme you want to apply for and click “+ Add new” to begin an application.

To access an existing application, click on its title displayed below the programme name.
4) EFSD Albert Renold Travel Fellowship Application

Instructions on how to operate this online application system will be written in blue.

To submit an Albert Renold Travel Fellowship application to EFSD in this system, you have to complete 9 steps, with the first step being to create a new application from the system’s start page, followed by 8 steps or sections of the actual application.

Once you started an application, the steps or sections of the application process are shown in a menu on the left-hand and can be accessed by clicking on the respective term.

All fields marked * are required and you have to complete all required items in a step before you can then click “Save and Continue” and thereby save your work entered in this section. You will then automatically be directed to the next application section.

You can exit your application and the website at any time and your input will be automatically saved once you completed all required items in a section and clicked “Save and Continue”.

You can re-enter the system and continue and/or edit your application any time before the programme deadline as long as you have not submitted your proposal yet.

When you are ready to submit your application, click the "Submit Application" button at the end of the submission form. You can only submit an application when all required steps are completed.

After submitting your application and before the programme deadline, you will be able to access your application but you will not be able to make any more edits.

After the submission deadline you will no longer be able to access your application.

**IMPORTANT!** You must submit your application by 23:59 (CET) on the deadline date or it will not be forwarded to the reviewers!

**Step 1: Begin or Edit an Application**

To create a new application, click the “+ Add New” button for the Albert Renold Travel Fellowship Programme.

You can edit your application any time before the programme deadline as long as you have not submitted it (by pressing the “Submit Application” button at the end of the submission form). A submitted application will have the proposal status “Locked”, a not yet submitted application will have the status “Incomplete” or “Complete”, respectively.

To modify an existing proposal, click on its title displayed below the programme name.

To make any edits, click the left-hand menu for the section you would like to edit.

**IMPORTANT!** Remember to click “Save and Continue” after making any edits!
Step 2: Proposal Information

In this section you are asked to submit the following information:

- **Skill to be learned (max 100 characters including spaces)**
  
  *The name of the research technique to be learned and potentially its purpose for your project.*

- **Total budget requested (max Euro 8,000)**
  
  *Please fill in only numbers, the system will format automatically.*

- **Nature of the research technique to be learned (clinical or basic)**
  
  *Clinical research is defined as a study performed in vivo, in human individuals with focus on clinically relevant and diabetes-related outcomes.*

- **Fellowship duration (length of stay in months, travel start and end date)**
  
  *It is understood that you may not know your exact travel dates at the time of the application. However, please give dates that are likely to be within a week of your final travel dates.*

Fill in all required information and click “Save and Continue”.

**IMPORTANT:** You have to complete this section to start the application process and to gain access to the Applicant and Host sections (steps 7 and 8). You may, however, edit it later.

---

Step 3: Financial Support

In this section you are asked to submit the following information:

- **If you also applied for funding at other agencies for your intended travel and stay (other support sought for this travel)**
  
  *If yes, please let us know at which agencies, the total funding requested and specify areas where there are overlaps in budget requests.*

  *Be completely open about support from other sources. If the travel and stay is already supported from other sources, please explain this in detail and justify the additional/complementary resources requested.*

  *Please note, if overlapping support for this travel is obtained from other sources, any funds awarded by EFSD will be withdrawn.*

- **If you previously received an EFSD award.**

Fill in all required information and click “Save and Continue”.

Instructions EFSD Albert Renold Travel Fellowship Application 5
Step 4: Budget

In this section you are asked to provide a detailed budget (expected costs) for your stay using the budget table provided as a download.

A copy of the budget table is also provided in chapter 11 of this document.

The total budget request and the length of stay that you provided in the Proposal Information section (step 2) will be automatically reproduced in this section and vice versa.

The total budget submitted must match the total being requested from EFSD. Your **total may not exceed Euro 8,000**.

**State your costs in Euros.** If you are applying from or for a country outside the Euro Zone, please convert the local currency into Euros, using the exchange rate on the date of your application.

**IMPORTANT:** This fellowship programme does not cover costs for workshops, courses, seminars or conference visits, nor research costs (e.g. consumables, equipment), private activities (e.g. concerts, gym) or purchases which use extends beyond the stay (e.g. books, laptops, clothes).

**Please be reasonable and realistic!** It is understood that the stated costs are estimates and it is ok to calculate them generously to be on the safe side. However, please calculate what you really expect to be necessary to cover the costs of your travel and stay. Please do not just distribute Euro 8,000 over the budget sections, trying to receive the maximum amount of funding possible – reviewers will likely notice that. If your stay includes a hotel accommodation, please be reasonable and note that EFSD usually does not cover 5 star hotels and alike.

There are resources on the internet that can help you to estimate the costs for accommodations and other living costs in the city you intend to travel to, for example [numbeo](https://www.numbeo.com), [expatistan](https://www.expatriate.com) or [budgetdirect](https://www.budgetdirect.com). Per diem rates, for example from your university, for travels to the country you intend to go to are another source to get an idea about costs of living. For all these options, please keep in mind that the EFSD budget table separates costs for accommodation and the remaining living expenses.

Download the budget table using the link provided in this section, complete the budget document and then paste it into the editor in the online application system. Then click “Save and Continue”.

**IMPORTANT! Do not** deviate from this format, any budgets not submitted in the correct format will not be reviewed.

Step 5: Budget Justification

In this section you are asked to provide a short justification for each item listed in the budget to show that the amount given is reasonable. It is understood that these costs are estimates.

This budget justification will be reviewed carefully and the Review Committee may on occasion and at its discretion recommend an award in a lesser amount considered more appropriate for the proposed travel.

Fill in all required information and click “Save and Continue”.
Step 6: Additional Documents

In this section you are asked to upload a statement on how the visit will benefit you and your home department, your biographical sketch, a letter of recommendation from your department head, a letter of invitation from the host institution and signed Signature and Declaration document.

A list of the documents you are required to upload in this section as part of your application can be found in table 1 below and in chapter 10 of this document.

IMPORTANT! Please follow our guidelines for your biographical sketch and statement provided in chapters 5 and 6 and comply with their length restrictions as documents exceeding these parameters will not be forwarded for review.

A signed letter of recommendation by the Head of the Department at your current place of work (home institution) must be submitted with your application. The letter must be dated and printed on institutional letterhead.

A signed letter of invitation from the host institution confirming the invitation to visit and describing the objectives of the stay must be submitted with your application. The letter must be dated and printed on institutional letterhead.

Information on the required letters is also provided in chapter 7 of this document.

You are also required to complete, sign and submit the Signature and Declaration Document provided as a download in this section.

More information on the Signature and Declaration Document is provided in chapter 8 of this document.

Please upload all documents in pdf format.

**Step 7: Applicant**

In this section you are asked to enter your contact details.

Your contact details (name, institution, institutional address, phone and email address) and your EASD member number will be automatically pre-filled from your EASD membership account. This information can be amended in the online application system except for your name and EASD member number. If your contact information is outdated, please remember to also update your information in your EASD membership account.

If you do not have a membership account yet, you have to enter the requested information manually.

**IMPORTANT!** All correspondence regarding your application and grant in case of a successful application will be sent only to your email address provided in this application.

To apply for this programme, you must be a paid-up EASD member. Your membership number and membership status (“true” or “false” meaning active or not) will be automatically transferred from your EASD membership account and you will not be able to make edits to these fields.

If you are not an EASD member, a number following EFSD_ will appear in the EASD member number field and the information “false” for your member status.

**If you are not yet an EASD member or if your EASD membership has expired**, you have to become an EASD member or renew your membership, or your application will not be considered for funding. You may, however, apply for EASD membership and an Albert Renold Travel Fellowship at the same time. To renew, re-activate or apply for EASD membership, go to the EASD Membership section in MyEASD. Here you can also access your membership profile if you are a paid-up EASD member, update your contact details and check when your membership will expire. More information on EASD membership and how to become a member can also be found on the EASD website: [www.easd.org](http://www.easd.org).
Please note that the EASD membership application/renewal system in MyEASD will be closed from 1 July until after the EASD Annual Meeting each year. Instructions on how to apply for EASD membership in order to apply for an EFSD award during this time period will then be published on the Programme link of the EFSD website.

Check and/or fill in all required information and click “Save and Continue”.
You will be directed to summary page of your contact details. If you wish to return to the page where you entered your contact details, click “Edit”.
Click “Continue” to get to the next application section.

Step 8: Host
In this section you are asked to enter the name and contact details of your host.

Fill in all required information and click “Save and Continue”.
Click “Continue” on the next page to get to the next application step.
To delete or edit your host’s details, click “Delete” or “Edit”.

Step 9: Summary and Submission
In this section you can review your work and submit your application once you have completed all required steps.
Note, you will only be able to submit your application if you have completed all required information.
If your application is complete, a “Submit Application” button will be displayed on the summary page.
If you application is not yet complete, you will see a notice which step(s) still need completion.

Shortly after the submission, you will receive an automatic confirmation email. If you do not receive this email, please remember to check your spam folder, then contact CTI technical support oasis@support.ctimeetingtech.com

You will receive a second email once your application has been checked by the EFSD office. If you do not receive this second email within two weeks of the programme deadline date, and it was not transferred to your spam folder, please contact the EFSD Office foundation@easd.org.

You will still be able to access your application after submission and before the programme deadline, but you will not be able to make any more edits.

After the programme deadline you will no longer be able to access your application.

5) Guidelines Statement of Applicant

An essential part of an Albert Renold Travel Fellowship application is the applicant’s statement of how the visit will benefit the applicant and the applicant’s department.

- How will your diabetes research project(s) and your home department benefit from your stay and the technique(s)?
- Why you did specifically chose your host institution to learn this technique.

IMPORTANT! The statement must not exceed 1.5 pages written in type no smaller than 12-point Arial with single line spacing. Any application exceeding this page limit will not be forwarded for review.
